## 2013-2014 Year in Review

The Hancock Public Schools Foundation (HPSF) recently completed another rewarding year of supporting our schools and we want to share some of the highlights with you.

- Approved more than \$97,000 in grant support
  - ◆ More than half of the funds helped purchase computers and upgraded internet access so that Hancock Public Schools students remain competitive in today's world.
  - ◆ The remainder, nearly \$40,000, supported programs at all grade levels and academic areas, including science, math, reading, industrial arts, music and enrichment activities.

For a complete list of grants awarded, visit the HPSF Web page.

- Awarded \$16,250 in scholarships to 15 college-bound students
- Established online giving
  - ◆ Simply visit our Web page ([www.hancock.k12.mi.us.edu/school-foundation](http://www.hancock.k12.mi.us.edu/school-foundation)) and follow the **Donate Online** link to make a gift.

As always, the Foundation's efforts wouldn't be possible without the support of the extended community— alumni, friends, teachers and administrators. All of you help educate and enrich our students' learning experience. Thank you.—HPSF Board of Directors

## Thank You Notes

*Thank you for approving the Yearbook grant request for a new camera! We ordered it, it came in, and is wonderful! The Hancock Public Schools is extremely fortunate to have the Foundation to provide things for the schools and groups that we would not be able to purchase otherwise.*

Thank you again!

Karyn L. Ruohonen-Rudak and the Yearbook staff

### Butterfly Project

As part of their science curriculum, students in Grades K-4 studied the life cycle of the Painted Lady Butterfly from pupation to adulthood.

Beautiful thank you card from students
