

Hancock Public Schools is looking for **ONE GREAT EDUCATOR!**

Does working with K-12 students energize you? Are you a creative builder that seeks an opportunity to work with other like-minded innovative educators to create and construct a unique educational program for students? Do you want to work with a support team of principals, superintendent, school board and community?

And what do you like to do after work?

Enjoy the beauty of Brockway Mountain

Trophy Fishing in Lake Superior

Endless Adventures Await You!

Hiking in the Keweenaw Peninsula

Kayaking the shores of Lake Superior

Skiing the Challenging Mt. Bohemia

Exploring the waterfalls of the U.P.

Hancock Public Schools is looking for a one great educator that wants to enjoy a taste of heaven each day in and outside of school. Our students have a strong set of values and respect for others. They are hands-on learners that love to explore and discover through interactive experiences inside and outside the classroom. We will help talented and interested professionals pursue their teaching certificate. We will also help educators outside the state of Michigan secure their Michigan teaching certificate.

Currently we are looking for talented candidates for our **Middle School Math Teacher** opening.

We offer:

- Competitive Wages Based on Experience
- \$2,000 relocation package for those outside a 50 mile radius
- \$2,000 signing bonus
- \$2,000 supply credit for any supplies you need for your classroom
- New Chromebooks for all your students
- Access to grants from our Hancock Public Schools Foundation (\$2.7 million), which will grant over \$130,000 in grants to our teachers this year

Position is open until filled with the right talented candidate.

Interested candidates contact: Dr. Steve Patchin at spatchin@hancock.k12.mi.us
